■ Seal Registration

In Japan, a personal seal is needed when you open the bank accounts, apply for cell-phone service and in many other circumstances. A number of important procedures and contracts also require a registered seal (jitsu-in). Attention that letters for seal registration must be as same as the certificate of residence.

【Seal registration procedures】

Seal registration procedures take place at Ishikari city hall and auxiliary branches of the city. Valid identifications such as the seal to be registered and your resident card are required for the application. After the registration procedure, a seal registration card (inkan toroku-sho) is issued.

【Seal Registration Certificate】

After a seal is registered, a seal registration certificate can be obtained by applying at the city hall or auxiliary branches of the city. Handling fee is ¥350.

The seal registration card is needed for issuing.

If a proxy claims this certificate, he/she must fill in personal information and bring the seal registration card without power of attorney.
